$\begin{tabular}{ll} \textbf{People} \times \textbf{Nature} \times \textbf{Tradition} = \textbf{The power of Ai} (\textbf{Love}) \\ \textbf{The blessings of the N\"obi Plains, the traditions and culture, and} \\ \end{tabular}$

of the city.

Connected with the importance of transcending generations, these assets have not simply been protected, but have evolved with the passing of the ages.

Our goal is for all those living here to continue living with a

This city where the "Ai (Love) overflows" also overflows with possibilities of creating new value while remaining in harmony with nature.
